

School Readiness ChildPlus Instructions

The forms are divided by GOLD classes - children who are four year at the beginning of the year are on the four year old form and goal, etc. You just write the children's names down the list and then write the date that they accomplished the goal. The age goals are written at the top of the form for each age.

At checkpoint time you will report these accomplishments in ChildPlus. Click on the "Services" tab and then click on "Education" (this is where you enter home visits and parent/teacher conferences). Below the section for home visits and conference you will see a form called "Colors".

Colors	First	Second	Third
Date Performed	<input type="text"/>	<input type="text"/>	<input type="text"/>
RED	<input type="text"/>	<input type="text"/>	<input type="text"/>
ORANGE	<input type="text"/>	<input type="text"/>	<input type="text"/>
YELLOW	<input type="text"/>	<input type="text"/>	<input type="text"/>
GREEN	<input type="text"/>	<input type="text"/>	<input type="text"/>

BLACK	<input type="text"/>	<input type="text"/>	<input type="text"/>
WHITE	<input type="text"/>	<input type="text"/>	<input type="text"/>

The "first" column is for Fall checkpoints, "second" for Winter, "third" for Spring. Because we have already had fall checkpoints, we will begin this with Winter checkpoints (due February 1).

"Date Performed" is the checkpoint due date. For each color you will enter a "N" for colors that the child named and "P" for colors that the child pointed to when requested. If the child did not get a color correct, then leave that space blank.

School Readiness ChildPlus Instructions

Here is the screenshot of the tracking form in ChildPlus that we will be using to track our Kindergarten Readiness goals that are not included in Teaching Strategies GOLD. The “first”, “second”, “third” refer to the date that checkpoints are due. In the “COLORS” section, the teacher will enter “P” if the child pointed to that color when requested or an “N” if the child correctly named the color. In the School Readiness section a “1”, “2”, “3”, or “4” will reflect the age level ability of the child.
