

TODDLER TRANSITION PLAN

Child: _____

The Early Head Start Program is obligated to provide a transition plan for any child who is 2 ½ years old. The Early Head Start Program allows for a child to remain in the program until they are 3 years old or until July 31st, which is the public school cut-off date. Following is the proposed plan for (child) _____, which the Early Head Start Program and (child) _____'s parent(s) have agreed to:

1. Head Start Program will be contacted and a referral will be made to them. (Parent) _____ will fill out an application prior to (child) _____ turning three years of age.
2. Or (parent) _____ can make arrangements for (child) _____ to participate in a private daycare setting.

One of the above mentioned plans would be decided upon by the time (child) _____ turns 3 years old. During the time between (child) _____'s 3rd birthday and the July 31st cut-off date, (child) _____ may remain enrolled in the Early Head Start Program.
